Director Wilkinson updated the Board on Centerville Cares programs and activities during the pandemic. Director Ormsby offered the help of a monthly youth service group she participates with.

**FINANCIAL REPORT**

Jacob Smith, Treasurer, presented a financial report. Chair Hollingshead suggested the Foundation move funds allocated for Centerville Cares to the Centerville Cares Fund. Director Wilkinson **moved** to transfer \$12,641.29 to the Centerville Cares account, as soon as the Centerville Cares bank account was set up. Director Ince seconded the motion, which passed by unanimous vote (7-0).

Chair Hollingshead said he did not have an update regarding funding for police equipment.

**GRANT WRITER**

The Chair reported that Director Peterson was looking into the possibility of finding someone to help write grant applications.

**FUND RAISING FOR CITY PICKLE BALL COURTS**

Director Wilkinson discussed with the Board the possibility of raising funds to add 8-12 pickle ball courts at Community Park. He showed a preliminary drawing, and shared a construction estimate of \$600,000. Director Ormsby said she believed pickle ball courts would be

a good use of space at Community Park. She asked about the possibility of a bike trail at Community Park. Director Wilkinson said he was approached about the possibility of putting a bike trail on unused land to the north of the paved trail at Community Park. He reported that the land in question was owned by the Army Corps of Engineers, not by the City.

Director Hanson informed the Board that an I-15 widening project scheduled to take place in the next 10-15 years would most likely impact alignment along Frontage Road and create the need to shift the west parking lot at Community Park further east. Responding to a question from Director Ormsby, Chair Hollingshead said there was not an estimated timeframe for completion of the proposed pickle ball courts. Director Hanson said some Park Impact Fee revenue may be available to allocate to the pickle ball court project in the future.

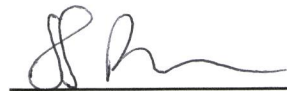

#### **OTHER FOUNDATION BUSINESS**

Director Ince described a project he started to have at least 1,000 "We Support Our Police" signs posted in Centerville. The cost was \$5 per sign. Anyone interested could contact Director Ince directly by email.

Responding to a question from Director Baty, Director Wilkinson updated the Board on CenterPoint Theatre (CPT) activities. Director Hanson reported that the RDA had provided rent relief to CPT for six months due to the pandemic. Director Ince expressed confidence that the RDA Board would approve additional rent relief at the end of the six months. Director Wilkinson and Director Hanson said they believed financial donations would be appreciated by CPT.
